Ps 91

How do I live? parody- How do I get through one night without You?
If I had to live without You, what kind of life would that be?
Oh, I... I need You when my life's out of control.
You're my world, my heart, my soul. If You ever leave, Jesus, that would take away everything good in my life.

And tell me now, How could I live without You? I don't want to know-
How would I breathe without You, if You ever go? How would I ever, ever survive?
How would I, how would I, oh, how would I live?

Without You, there'd be no sun in my sky,
There would be no love in my life, There'd be no world left for me.
And I, Jesus, I don't know what I would do,
I'd be lost if I lost You. If You ever leave,
Jesus, that would take away everything real in my life
