11. On a separate sheet of paper, please write what you want to do/become at Solid Rock. Please be extremely detailed. If you have already accomplished what you desire, that's fine. If you are unsure what you desire for your future, that is fine too.

12. Please list everything that you already do at SRM & if you want to continue in that area. If you serve in a position of influence over others and you want to continue in that area, expect your Pastor to assist your growth w/major instruction, encouragement, & correction.
