Mark 4 Jesus was teaching in **parables**: The sower sows seed (the Word), and when some hear, the **birds** immediately take away the word that is sown in them (lest they should believe and be saved). Some seed fell on **stony** ground, and they have no root in themselves, but endure for a while; then, when tribulation arises on account of the **word**, they immediately fall away. Others are the ones sown among **thorns**. They hear the word, but the cares of the world and deceitfulness of **riches** and the **desires** for other things choke the word, and it is unfruitful. But the seed that fell into **good soil** and produced grain, growing up, are the ones who hear the word, accept it, and **bear fruit**, thirtyfold and sixtyfold and a **hundred** fold.
